(EBAC Cert-ID: 2024-EPN-9791000-000)

Prof. Stefan Anker (Course Director)

EBAC

EBAC accredits CME programmes for the international medical community ®
The Accreditation Council for Continuing Medical Education (ACCME®), and the Royal College of Physicians and Surgeons of Canada hold an agreement on substantial equivalency of accreditation systems with EBAC. Through an agreement between the European Board for Accreditation of Continuing Education for Health Professionals and the American Medical Association, physicians may convert EBAC External CME credits to AMA PRA Category 1 Credits™. Information on the process to convert EBAC credit to AMA credit can be found on the AMA website. Other health care professionals may obtain from the AMA a certificate of having participated in an activity eligible for conversion of credit to AMA PRA Category 1 Credit™.
